

KEVIN WALDRON
PLANNER

Professional Experience

Design, Community & Environment, Berkeley, California. Planner. 2009 through present. Responsible for research, community outreach, GIS mapping, graphic support, and report writing for general plans and environmental review documents, including the *Upland General Plan Update and EIR* and *Upland Downtown Specific Plan*, and the *Palm Springs Airport Shuttle Demo Project* for the Southern California Association of Governments.

City of San Luis Obispo, California. Planning Intern. 2007 to 2008. Prepared and presented various current and long-range planning projects, including analyses of City General Plan policies and programs, zoning regulations, design guidelines, parking standards, sign regulations, State and federal programs, and CEQA compliance.

Cal Poly State University, San Luis Obispo, California. Student. 2008. Designed and implemented the Brizzolara Creek Education and Outreach Program and Cal Poly's first annual Creek Day to promote environmental stewardship on the campus of Cal Poly, working with the City and Regional Planning Department, Natural Resources Department, and Cal Poly's Water Quality Management Department and a range of local non-profit organizations.

Cal Poly State University, San Luis Obispo, California. Student. 2006. Contributed to the Kettleman City Community Vision and Community Plan, which involved multiple public participation workshops and collaborative efforts with the Community Service District. Directed agricultural and built environment land use policies, Williamson Act land preservation policies, Pesticide Application Ordinance, and contributed to the goals, policies and programs of the Land Use Element.

Education

Bachelor of Science, City and Regional Planning, California Polytechnic State University, San Luis Obispo.
